* Students Pursuing the DMA degree on a string instrument must be enrolled in MUSI 635 Advanced Orchestra during four of their six semesters of residency. Within those four semesters are eight rotations which are generally fulfilled by two chamber orchestra rotations each semester. The student in consultation with their major teacher may choose from Chamber Orchestra, Symphony Orchestra, Opera Orchestra or the Modular Ensemble Framework (MEF) for up to four of the eight rotations. They may also elect to enroll in one or two additional semesters or be required to do so by their major teacher. The student in consultation with their major teacher will choose the semesters for participation.

** Electives must be 300 level or above. Graduate academic courses taken elsewhere may be transferred with the approval of the relevant Department Chair. Additional hours of required performance coursework may not count toward the elective requirement. However, up to three (3) semester hours of MUSI 649 Graduate Independent Study will count towards degree requirements.

This degree plan was updated June 2021 and is intended for the 2021-22 academic year.
